You should not draw any conclusions about the Fund's investment performance from the amount of this distribution or from the terms of the Fund's managed distribution policy.

The composition of this and subsequent distribution may vary from quarter to quarter because it may be materially impacted by future realized gains and losses on securities. The aggregate of the net unrealized appreciation of portfolio securities and net realized gains on sale of securities is \$166,957,956, of which \$162,923,941 represents net unrealized appreciation of portfolio securities.

The amounts and sources of distributions reported in this 19(a) Notice are only estimates and are not being provided for tax reporting purposes. The actual amounts and sources of the amounts for tax reporting purposes will depend upon the Fund's investment experience during the remainder of its fiscal year and may be subject to changes based on tax regulations. The Fund will send you a Form 1099-DIV for the calendar year that will tell you how to report these distributions for federal income tax purposes.

¹The Fund's current fiscal year began on October 1, 2020.

²Cumulative total return at NAV is the percentage change in the Fund's NAV and includes all distributions and assumes the reinvestment of those distributions for the period of September 30, 2020 through November 30, 2020.

³This distribution represents a one time payment to satisfy annual tax distribution requirements and therefore has not been annualized for the period.
